

UNITED WAY STRENGTHENING FAMILIES - LOGIC MODEL - Anchorage

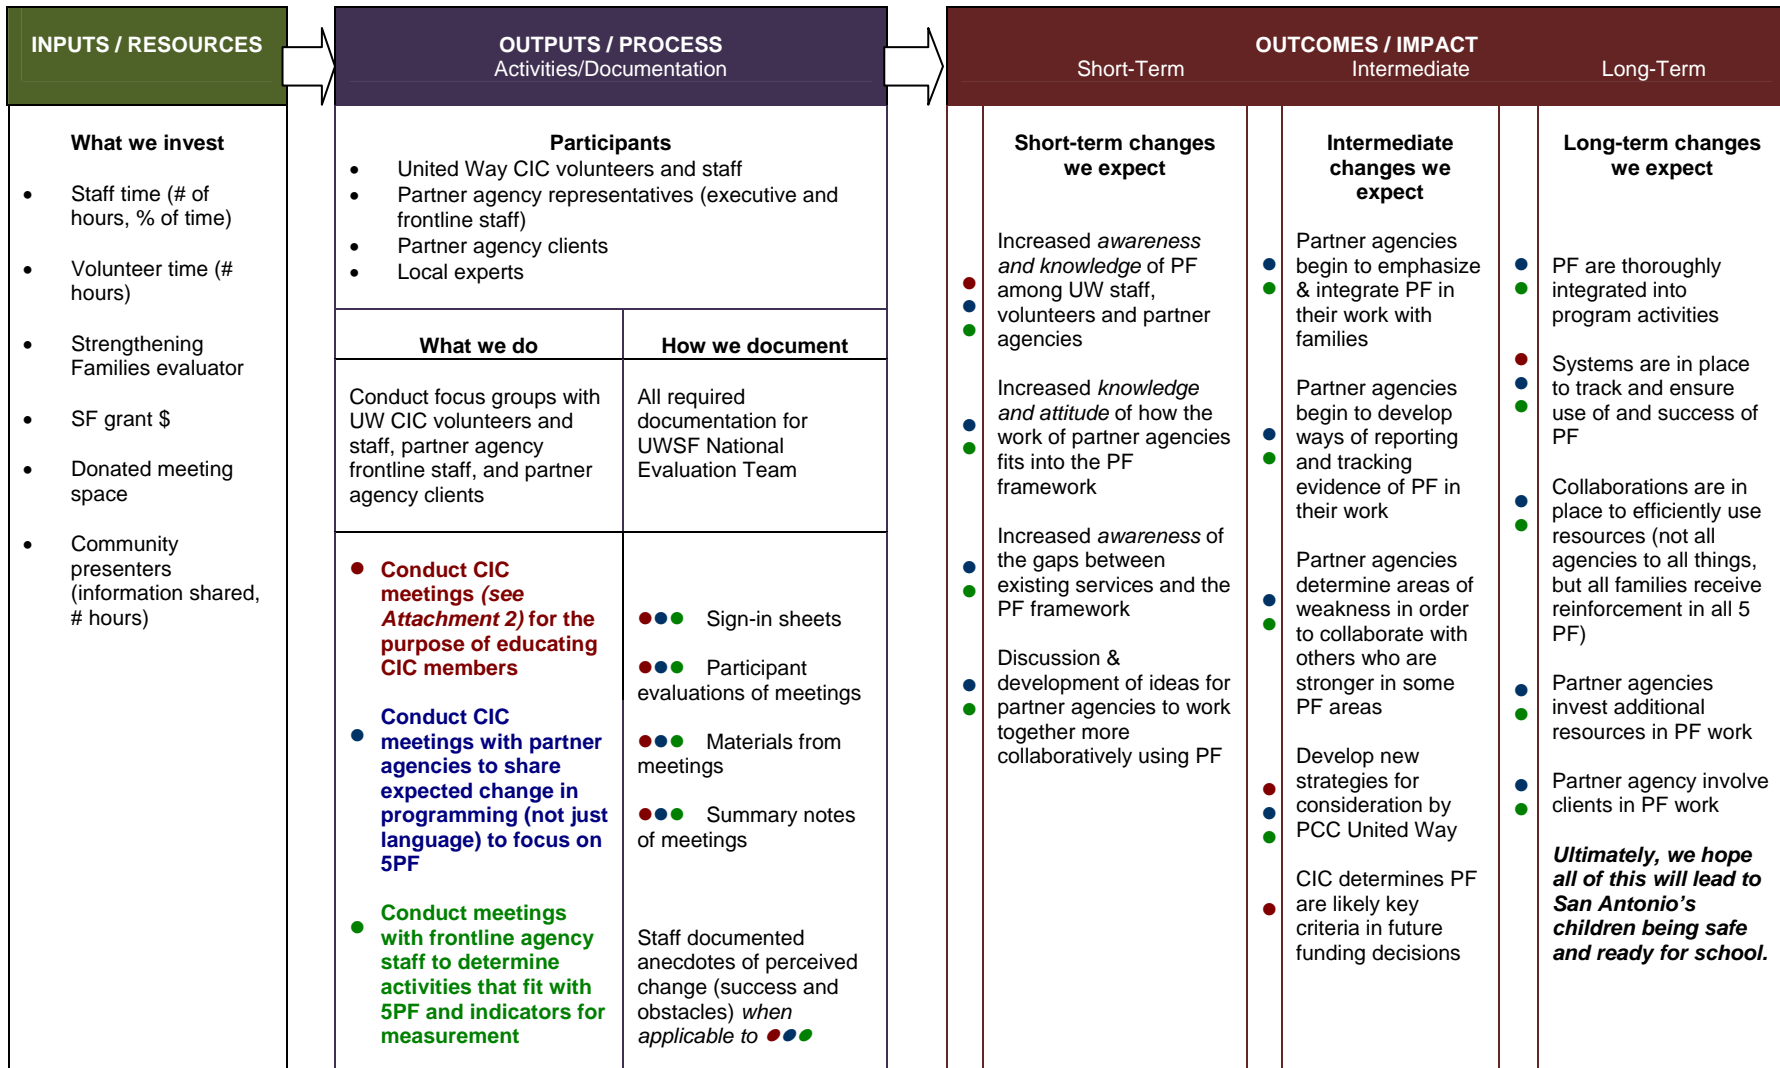

Overarching Goal: Use of the protective factors becomes embedded in the work of United Way partner agencies that serve families with children.

UNITED WAY STRENGTHENING FAMILIES – LOGIC MODEL – SAN ANTONIO

Objective 1: Integrate and align United Way Children’s Issue Council Priorities by:

- orienting UW Children’s Issue Council (CIC) volunteers, staff and funded partners to 5 Protective Factors (PF) and
- develop and implement planning timeline and work plan (see *Attachment 1*).

Color-coded bullet points: ● refers to CIC members (primarily volunteers); ● refers to partner agency (primarily executive staff); ● refers to frontline agency staff
